

First Friday is coming back!

(maybe!) Covid- permitting, on Friday 7 May

If all goes well, the Village Hall will open again at **7:00pm** on **Friday 7 May 2021** for an *al fresco* First Friday.

To help celebrate our release, the “Original Fry Up Material” Burger Van will be present across the road in the lay-by and your first drink will be free.

All the socialising will take place outside on the grass and, depending on the covid regulations in play at the time, we may need masks and a one-way system through the bar: so be prepared to play the game.

If the weather looks problematic, we will try to source some marquees. **There will be no further handling of cash: you'll need to bring your contactless card.** Those of you who have money in the “kitty” will be able to use that credit and, thereafter, we will ask you to pay with your card.
