

Dear Fellow Resident of Kilmeston Parish,

It is vital that Kilmeston Parish Council acts in your interests and reflects your views.

The annual music festival Boomtown, which takes place at Cheesefoot Head regularly applies for changes in planning. This is usually to increase the size of the event. To help us, we need to know what you think.

Please can you [email the chairman](#) with the following options

1. Positive (I think it's good for the area and should be welcomed)
2. Object (I think it has a negative impact and should be stopped)
3. Relaxed (The event does not affect my enjoyment of living in Kilmeston)

Simply reply with a 1, 2 or 3 answer.
