Dear Sir/Madam,

W969 - A31 Petersfield Road, Chilcomb Down – Drainage Improvement Works

As part of Operation Resilience, Hampshire County Council's programme to make Hampshire's roads more resilient to the effects of extreme weather weather and heavy traffic, this letter is to advise of upcoming drainage improvement works on A31 Petersfield Road, approximately 200m south of Percy Hobbs roundabout.

The works are programmed to start 10th May 2021 and are expected to last for 6 weeks, during which time lane closures in both directions will be in place 24 hours a day.

The above timescales are weather dependent, any significant changes to the scheduled dates will be made clear on the yellow sign boards located at the works limits.

Due to the current COVID-19 situation, works will be carried out ensuring safe working practices, and social distancing between site operatives and members of the public are maintained at all times. The appropriate traffic management will be in place to prevent any interaction.

Thank you for your co-operation and if you need more information regarding these works, you can using any of the options shown overleaf.
